

Area B3

Division B

District 33

Serving West Ventura County

I joined Toastmasters nine years ago. I wanted something that would be fun and challenge my mind. I found that I loved to compete but I also loved helping my fellow Toastmasters both by challenging them to be the best speakers they can be and by fine tuning their leadership skills. As Area B-3 Director I will work with my clubs in the same way. I will challenge members, to advance in the Toastmaster educational and leadership programs, to compete in contests and to take on leadership roles. By doing so, the club will benefit by earning Distinguished Club Points. My goal is to have all six of my clubs at Distinguished Club level or higher but just as important, I want everyone to have fun!! Here's to a great 2017-2018 Toastmaster year!

Wendee W. Smith, ACS, ALB

Area B3 Director
