Dan Collier aka PizzaMan Dan

Area B-1 Director

I have been a member of Toastmasters for 15 years. I joined originally to gain the skills needed to present at the International Pizza Expo. It worked! The Pizza Expo has hired me to share my stories and pizza experience for the past 15 years.

I have achieved ACS and CL. My goal is DTM, which is why I became an Area Director.

My goal as Area Director is to give the leadership and support to empower all of the Clubs in my Area to achieve Presidents Distinguished Club.
